Share-based incentive scheme

On 12 December 2011, Glaston's Board of Directors decided on a new share-based incentive plan for the Group's key personnel. The share bonus plan has three performance periods, namely the calendar years 2012, 2013 and 2014. The Company's Board of Directors will decide on the plan's performance criteria and the targets set for them at the beginning of each performance period. The possible bonus of the plan for performance period 2012 was based on the Glaston Group's operating result (EBIT) and net profit. In 2012 the performance criteria were not fulfilled. The share bonus plan's target group consists of around 25 people. The bonuses payable on the basis of the plan will correspond during three years to a maximum of 4.8 million Glaston Corporation shares.
