Talma served for over ten years in managerial positions with Kesko Corporation, including Senior Vice President, Store Sites and Investments 2013–2015, President of Rautakesko Ltd 2011–2013 and Senior Vice President, Chief Financial Officer 2005–2011. She was a member of Kesko Corporation's Corporate Management Board 2005–2014. Talma also served as Auditor, Authorized Public Accountant (APA) and Partner at KPMG Wideri Oy Ab 1987–2001. Since 2015, Talma has focused on serving as a full-time Board professional, and she is Member of the Board of Directors and Chair of the Audit Committee of Metso Outotec Corporation, Vice Chair of the Board of Directors and Chair of the Audit Committee of Aktia Bank Plc, and Member of the Board of Directors and Member of the Audit Committee of Verkkokauppa.com Plc.

Board Member Tero Telaranta is dependent on a significant shareholder of the Company, Ahlstrom Capital B.V., whose ownership in the company is 26.39%, due to his position as the Director, Industrial Investments of Ahlström Capital Oy. Ahlstrom Capital B.V. is a group company of Ahlström Capital Oy.

All aforementioned persons have given their consent for the election. More information on the nominees is available on Glaston Corporation's website www.glaston.net/annual-general-meeting-2021/.

According to the company's Articles of Association, the Board of Directors elects from among its members the Chairman and Deputy Chairman. The Nomination Board recommends that Veli-Matti Reinikkala continues as the Chairman of the Board of Directors.

14. Resolution on the remuneration of the auditor

The Board of Directors proposes that the remuneration of the auditor be paid based on the reasonable invoice approved by the Company.

15. Election of auditor

The Board of Directors proposes that authorised public accounting firm KPMG Oy Ab would be elected as the Company's auditor. The auditing firm has announced that the auditor in charge of the audit is Authorised Public Accountant Lotta Nurminen.

16. Authorising the Board of Directors to decide on the repurchase as well as on the acceptance as pledge of the company's own shares

The Board of Directors proposes that the General Meeting would authorise the Board of Directors to decide on the repurchase as well as on the acceptance as pledge of the Company's own shares in one or several tranches as follows.

The number of own shares to be repurchased or accepted as pledge shall not exceed 8,000,000 shares, which corresponds to approximately 10 per cent of all registered shares in the Company, subject to the provisions of the Finnish Companies' Act on the maximum amount of shares owned by or pledged to the company or its subsidiaries. Only the unrestricted equity of the Company can be used to repurchase own shares on the basis of the authorisation.

Own shares can be repurchased at a price formed in public trading on the date of the repurchase or at a price otherwise formed on the market.

The Board of Directors decides how own shares will be repurchased or accepted as pledge. Own shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders (directed repurchase).

The authorisation would be effective until 30 June 2022. The Board of Directors proposes that the authorisation would revoke corresponding earlier authorisations.

17. Authorising the Board of Directors to decide on the issuance of shares as well as the issuance of options and other rights entitling to shares

The Board of Directors proposes that the General Meeting would authorise the Board of Directors to resolve on one or more issuances of shares which contain the right to issue new shares or dispose of the shares in the possession of the Company and to issue options or other rights entitling to shares pursuant to Chapter 10 of the Finnish Companies Act. The authorisation would consist of up to 8,000,000 shares in the aggregate representing approximately 10 per cent of the current number of shares in the Company.

The authorisation would not exclude the Board of Directors' right to decide on a directed issue of shares. The authorisation is proposed to be used for material arrangements from the Company's point of view, such as financing or implementing business arrangements or investments or for other such purposes determined by the Board of Directors in which case a weighty financial reason for issuing shares, options or other rights and possibly directing a share issue would exist.

The Board of Directors would be authorised to resolve on all terms and conditions of the issuance of shares, options and other rights entitling to shares as referred to in Chapter 10 of the Companies Act, including the payment period, grounds for the determination of the subscription price and subscription price or allocation of shares, option or other rights free of charge or that the subscription

price may be paid besides in cash also by other assets either partially or entirely (contribution in kind).
